PROFESSIONAL EXPERIENCE

Marketing Director & Growth Lead | DITTO.AI (AI-Native Dating / Social Product)

Los Angeles, CA

Nov 2025 - Present

- Led growth and partner-led GTM for an AI-native consumer dating/social product, driving **800% user growth** and scaling to **150K+ cumulative users** through campus activation, creator/influencer marketing, original video, field marketing, and partner-channel distribution.
- Built and coordinated cross-functional workflows across a **30+ person team**, aligning product documentation, operations data, creative production, offline activations, BD, and growth campaigns for rapid consumer product launches.
- Co-led the YiYak x Ditto partner motion, generating **73,000+ registrations**, **32,000+ matches**, and coverage across **733 U.S. universities** in a single partner-led campaign.
- Generated **100K+ broader partner-channel sign-ups** through integrated partner collaborations, follow-up conversion motions, campus/community distribution, and launch operations.
- Designed partner-led distribution programs across campus, creator, and offline channels, including viral field activations, creative poster campaigns, student/community channels, KOL/influencer marketing, and original short-form video.
- Designed a **3-tier conversion funnel** for **72,960 partner-channel users**, segmenting Value-experienced / Value-pending / Value-absent cohorts for personalized activation and re-engagement.
- Identified **60,000+ dormant or unconverted users** representing 83% of a partner-channel user pool, then built a structured outreach strategy to improve activation and conversion quality.
- Analyzed **32,852 match pairs** and found that 85.7% of engagement occurred within 48 hours of match delivery, reshaping campaign timing and follow-up strategy.
- Identified a high-conversion targeted community channel with a **26.8% email verification rate**, approximately **20x above** the platform average; translated channel-performance insights into actionable acquisition recommendations.
- Built structured engagement and performance-tracking routines across campaign calendars, ambassador leaderboards, UTM links, channel-quality reviews, and post-campaign retrospectives to improve accountability and execution speed.
- Acted as a central coordinator between internal product/growth/creative teams and external partners, creators, student organizations, and communities, aligning priorities and resolving launch issues across stakeholders.
- Built and maintained **DPU (Ditto Product Universe)**, an AI-powered product knowledge base enabling natural-language querying of product specs, operating context, campaign learnings, and reusable launch materials.
- Collaborated with product and engineering counterparts on AI-native product initiatives including onboarding, conversion-page specs, chatbot handoff logic, and partner-campaign execution templates.
